WWTA PROJECT NUMBER 00-000 NAME OF PROJECT

Mr. and Mrs. Property Owner,

The Hamilton County Water & Wastewater Treatment Authority (WWTA) is planning to
description of project scope The location of the new sanitary sewer force main requires that WWTA obtain temporary construction and permanent easements from you.

Enclosed in this mailing is a Notice of Intent (once completed defines your intent), a set of easement documents for your review and signature, and a graphic which reflects the approximate location of the new sanitary sewer line.

Please review the enclosed documents and complete the Notice of Intent (NOI) for return to the WWTA. And, at such time that you are ready to sign the easement documents we have a notary on staff who would meet with you at your convenience to notarize the easement documents.

If you have any questions regarding this please contact me at (423) 209-7842.
